

PAAB REGISTRATION – STATUS & VERIFICATION

PAAB Registration Certificate

Registration status

Ubuntu Registered Accountants and Auditors (Namibia) is registered with the Public Accountants and Auditors Board (PAAB) as an audit firm in Namibia. The firm's PAAB firm registration number will be published here once formally issued.

Verification

The official PAAB registration certificate is available for client verification on request. Email info@ubuntuauditors.com.na stating your organisation and purpose of request.

This document confirms the firm's status and verification process. The official, stamped certificate is available for verification on request and is not reproduced here.
